2025 CAR PARK TARIFF

3. PRINCIPLES OF APPLICATION:

- In parking lots with automatic entry and exit vehicle recognition systems, parking fees are charged according to the entry and exit times in the system. In parking lots without an automatic entry and exit system, vehicles that enter and exit on the same day by not presenting the parking card / receipt at the exit are charged a 12-24 hour parking fee regardless of the parking time.
- The monthly subscription period covers a period of 30 days from the first entry and without any exit. In case of multiple entries and exits in the Monthly Subscription application, the fee in the table is applied with an increase of 25% (except for personnel vehicles on duty at the airport). All subscriptions must be made within the first 3 hours from the parking lot entrance time.
- The fee to be calculated according to the duration of stay in the parking lot is charged with a 100% increase from those who do things such as washing vehicles in parking lots and disposing of waste from vehicles.
- In the event of not leaving the car park within 20 minutes following the payment, the period exceeding 20 minutes is charged as per the tariff.
- Provided that DHMI is informed, car park operators may apply free of charge or discount on the tariff.
- For parking exceeding 24 hours without a subscription, for the full days full day charge (12-24-hour charge) specified in the tables must be paid and for the remaining hours, hourly charge found by dividing the full day charge to 24 and multiplying the value found with the exceeding hours must be paid.
- The first 15 minutes are free of charge at airports where the terminal can be accessed by mandatory entry from the parking lot and at terminal/airport parking lots where stopping/stopping on the roads in front of the terminal is prohibited by the Security Commission.
- A part of the parking lot (provided that 10% of the parking lot capacity is not exceeded) may be rented to third parties for special purpose services.
- The charges are not applied under the following conditions:**
 - Vehicles listed in Act No. 5018 in the general budget listed in the State Organization Central Registration System KAYSIS, (Including rented vehicles purchased through service procurement) other than public administrations, special budget agencies, regulatory and supervisory agencies, social security institutions, local administrations (for a maximum of 2 hour)
 - Vehicels with Corps diplomatique plate numbers (upto an hour)
 - Vehicles used/occupied by disabled persons, veterans and duty invalids, provided that they present their documents (up to a maximum of 15 days each time), (For uses exceeding 24 hours, if the disabled person presents the passenger boarding pass or ticket for their travel),
 - Private vehicles of the 1st degree relatives of the families of the martyrs (up to maximum 15 days each time)
 - Private vehicles driven by DHMI staff (including DHMI retired staff),
 - Private vehicles of the General Directorate of Civil Aviation staff using parking lots operated/operated by DHMI.

4. PAYMENT OF THE CHARGES:

- The charges specified here are accrued, invoiced and collected according to the principles of the legislation of the airport / terminal operator.
- Parking fees are collected in advance at the exit of the parking lot. Monthly subscription fees are collected in advance at the beginning of the subscription.
- Charges in the tariff include VAT. If there is a change in the VAT rate, action is taken accordingly.
